## Competitive programming

[ Current ]

I like competitive programming, even if I'm not good at it, because sometimes it's really fun and I like to experiment new and better ways to write code. The websites I use the most are codeforces.com (<https://codeforces.com/profile/CuriousCI>) and the [Advent of Code](#). Here are my GitHub repos with the code: <https://github.com/CuriousCI/codeforces> and <https://github.com/CuriousCI/advent-of-code>
